# THE CORNER OFFICE, UPGRADED

The Executive Office Collection brings together modern design and modular convenience. The inspiration for this collection came from listening to our fans who wanted a sophisticated storage and furniture solution with the same quality and flexibility for which Vari is known. The result is a collection that can easily be mixed and matched to create an incredible number of custom configurations.

# ORGANIZATION ON YOUR TERMS

## Fast

The Executive Office Collection was designed to ship and install quickly. Most storage components arrive fully assembled to save installation time and include fast-leveling feet to make setup a breeze on uneven floors.

## Flexible

With a modular design, this collection provides countless configurations to meet your needs. Storage components easily link together to create a custom workspace.

## Simple

We make it easy to create your ideal office with free workspace design service. Our team of designers will assess your needs and recommend a configuration that beautifully fits your space.

# SUBSTANTIAL MEETS STYLE

## Sophisticated Design

With a minimalist aesthetic, clean lines, and sleek hardware, this collection is tailored for a professional look. The neowalnut and white laminate finishes provide a warm, elevated appearance that fits any office décor.

## Modular Approach

One design rarely fits all. That's why we created components that easily mix and match to provide custom configurations. Whether you need space for files, shelves for books, or a place to hang your jacket, it's easy to build the ideal office.

## Heavy-Duty Materials

With durable laminate, precision-glide drawer rails, and handles that can be positioned on the left, right, or center of drawers, the premium hardware chosen for each component ensures smooth operation for years to come.

## Premium Quality

Each piece in our Executive Office Collection has been thoughtfully designed, carefully manufactured, and rigorously tested to meet or exceed BIFMA's Durability Standards for Office Furniture.

# COORDINATION AND COLLABORATION

Versatile and stylish, the Disc Base Tables are designed to complete an office's meeting, executive, cafe, or collaboration area. Available in two attractive colors — neowalnut and white — to suit different design preferences, these tables provide an upscale corporate look and coordinate with our Executive Office Collection pieces.

# DESIGNED FOR POWERFUL MEETINGS

With their sophisticated design and convenient features, the Executive Conference Tables are an ideal solution for formal meeting spaces and boardrooms. Available in two attractive colors — neowalnut and white — to coordinate with our Executive Office Collection pieces, these tables are sure to bring a touch of high design to any meeting room.

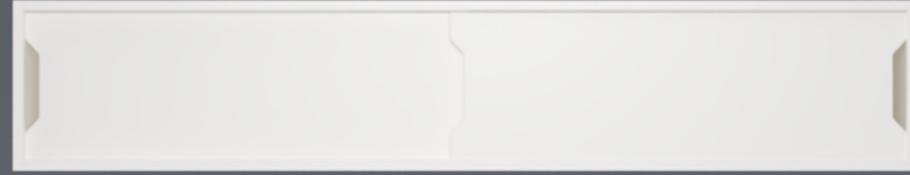

## Easy-Access Power

Keep meeting attendees powered up with AC, USB-A, and USB-C outlets, all conveniently located within reach.

## Built-In Cable Management

The power cable can be channeled through the center leg, preventing a tangle of loose cables under the table.
