

LED TaskLamp™

The LED TaskLamp brings innovation and simplicity to the humble desk light. It can be used as a freestanding lamp or clamped onto the side of your desk. It also lets you cycle through 3 different color settings: Cool White, Warm White, and Natural White. It's an adjustable, energy-efficient way to light up your workspace.

- Fully Assembled, No Installation Needed
- Use with Lamp Base or Clamp to Desk
- Energy-Efficient and Long-Lasting LEDs, No Bulbs to Replace
- 3 Color Settings: Cool White, Warm White, and Natural White
