

ProDesk® 60 Electric

We created the ProDesk® 60 Electric with contract-grade materials and designed it to do something no other electric standing desk can do – assemble in under 5 minutes while being incredibly stable at any height. Each desk is designed to last, featuring a sturdy frame with a steel crossbar for enhanced stability and a heavy-duty laminate finish. Its unique legs, with our patent-pending, easy-to-attach feature, mean it takes less than 5 minutes to assemble. Memory settings and an LED display make it easy to adjust to any height from 25.5" – 50.5". With multiple finishes that showcase its stylish chamfered edges, there's a look that's sure to fit your style.
